

AUSTRALASIAN DENTIST

...ONLINE

Your specialised email marketing campaign

The *Australasian Dentist* online email marketing campaigns are the dental industry benchmark and have become an indispensable tool for the industry.

Now in its sixteenth year, these email marketing campaigns are a well established, effective and highly valued service - bringing significant results.

This premium online service reaches around 10,000 dentists.

Used by most of the dental industry for new products, launches, regular specials and special interest seminars it has become an integral and regular part of the dental industry's marketing campaigns offerings to the dental professional.

And with multiple sends every week, our database is updated with every send. If you're marketing to dentists regularly then the *Australasian Dentist* email marketing campaigns is an essential tool in your promotion.

Ask about our special discounted rates for multiple sends.
